

# GIVING BACK EACH YEAR MAKES A TREMENDOUS DIFFERENCE

For many years generous donors have supported Catholic education in New Haven. Your support of the ASCA All Saints Fund is critical to our school's future and our commitment to our mission.

As All Saints Catholic Academy works to provide our students with a strong moral foundation instilled with integrity, compassion, and respect, we continually look to expand the academic, fine arts, technology, and support programs so our students will succeed in the ever changing world and workplace in which they live.

**NO GIFT** is too small.
